THE EXPERIENCE

TAP. GRAB. GO. THAT'S IT.

No buttons. No coins. No waiting for a coil to spin. The easy-to-use customer interface makes buying simple. When convenience leads, sales follow.

STEP 01 TAP Tap your card, phone, or smart watch on the reader. Payment is pre-authorized instantly, no PIN required.	STEP 02 OPEN The door unlocks. Customers open it like it's their own fridge. No screen to navigate. No coil to wait on.	STEP 03 GRAB The customer takes what they want. AI cameras track every item, even in low light or with fast movement.	STEP 04 GO The customer is only charged for what they take.

WHY OPERATORS CHOOSE CORE

Gravity Roller Shelves, Dividers & Pushers Products roll forward and stay visible at all times. A full looking shelf sells more. Dividers, pushers and shelves keep products in clean lines, fully customizable to product size.	Built to Protect Itself Shatter resistant glass, anti-tamper locking, and battery backup keep the machine secure through any power loss.
Fits Through Any Door At 28.35" wide, Core fits through any standard doorway. No disassembly, no installation crew, no special infrastructure. Just plug it in.	80% Fewer Moving Parts No coils, no motors, no spirals. This means less maintenance and service calls, with less downtime and more sales.

INTELLIGENCE BUILT IN

INDUSTRY-LEADING AI

Every transaction across each Vendera machine feeds one continuously learning AI. Core doesn't just work at its location, it also gets smarter.

Our proprietary AI software is like no other, analyzing and managing every transaction with ease, minimizing the need for human intervention.

CAPABILITY 01 Knows What to Stock Analytics in the VMS app track top-selling products in real time, helping operators optimize inventory decisions and stock what customers actually buy.	CAPABILITY 02 Knows When to Restock Alerts are based on real-time sales, not a fixed schedule. You go when it actually needs you, not before, not after stock runs out.
CAPABILITY 03 Records Everything Every transaction is logged on video in real time, giving you inventory visibility and a complete sales history from any device, anywhere.	CAPABILITY 04 Update Pricing in Seconds Modify prices across your entire fleet from your phone. One dashboard for sales, inventory and alerts from the Vendera VMS app.

VENDERA VMS APP	Manage Smarter with our Proprietary VMS Control of your fleet that fits right in your pocket. Our proprietary VMS app enhances the efficiency and effectiveness of your operation. Check in on your machine, quickly prepare for re-stock, maximize product placement and availability based on real time analytics, and check on the connectivity status of each machine. Easy access saves you time and money.
------------------------	---

\$5,928	Real monthly revenue from a live Core deployment 1,864 transactions. 2,723 items sold. One machine. Six months from zero. Managed entirely from the VMS app on a phone.
1,864 Transactions accurately recorded from a single active Core unit.	VISIBILITY Stock level visible in real time. Operator is alerted before stock runs out.
2,723 Items sold and tracked automatically by AI without human intervention.	ONLINE Easily access real-time data including connectivity status, transactions and stock levels.
